

# Ancram Comprehensive Plan

Ancram Town Hall  
1416 County Route 7  
Ancram NY 12502  
518-329-6512  
[www.townofancram.org](http://www.townofancram.org)

January 20, 2009

Last April in our Comprehensive Plan review meetings with the Town, you told us you really supported the 2030 Vision and Goals for Ancram. In fact, you were way ahead of us...you wanted to know how we're going to "make it happen."

Well, we've been working hard ever since, and have developed the Strategies that, if we all work on them together, will make it happen.

## Ancram: Historic Farming Community Moving Forward

If you only have a minute, read the 2030 Vision and the "Top 10 Things to Know," the first two pages of the enclosed booklet. If you have a bit more time, read the rest of the booklet, a "Summary of Goals & Strategies."

If you want to study the details, and we hope you do, get a copy of the 16-page "Detailed Strategies" document, the Frequently Asked Questions and the Glossary of Terms, available at the Town Hall, on the web site or by email.

## We want to know your reactions to the Strategies.

The goals and strategies are organized in order of importance as you ranked them in the Workshops and Survey. The strategies, together with a list of very specific action plans, are the final steps in the development of the Comprehensive Plan. If implemented, these strategies will help Ancram achieve its Vision for 2030.

**So, we hope to see you** and answer your questions. Come to one or more of the four Comprehensive Plan Strategy Workshops:

Monday evenings	7:00-9:30 p.m.	February 2 & 9
Saturday mornings	9:30-12:00 noon	February 7 & 14

Review progress, discuss, ask questions, hear about next steps. Comprehensive Plan information, materials and displays will be available from January 26 in the Town Hall conference room and from the Town Clerk for your review.

## We need your help to make it happen.

If you cannot join us and have questions, please contact Art Bassin, Chair, at [abassin@aol.com](mailto:abassin@aol.com) or 329-0921.
